Terms and conditions of registration

By signing this form, you enter a registration agreement ("Agreement") with Fortbridge Consulting Pty Ltd ("Fortbridge"), ABN 92 126 433 430, which owns and manages Fortbridge.NET ("Website"). You acknowledge that this is merely a summary of the full Terms of Service available on http://www.fortbridge.net/page/terms_of_service.html, which form part of the Agreement and are legally binding upon you. If signing on behalf of a company, you warrant that you have the legal power or the authorisation to bind that company to this Agreement.

- Fortbridge will acknowledge and set up administration of your registration without cost upon receipt of this form, and you should receive your username and password ("Login") via email the following business day.
- The Website is offered "as is", and no liability will be accepted by Fortbridge for any inconveniences that may derive from the system or any malfunction thereof.
- Access to the Website for registered users is free of charge.
- You are responsible for the safekeeping of the Login that will be provided to you. You will be liable for any actions taken on the Website using your Login.
- By registering to use the Website, you warrant and undertake that:
 - a) You will only distribute price sensitive announcements lodged by your company, defined as "any information that could reasonably be expected to have a material effect on the company's share price". Please note that distributing ordinary, compliance type reports that are clearly not newsworthy would only diminish the Website's value to members of the media as a source of relevant information.
 - b) The content distributed by your company complies with the regulatory and material disclosure requirements of the securities/stock exchange(s) in the market(s) in which the company operates;
 - c) You will not use the Website for any illegal purposes, such as disseminating offensive material, computer viruses or any harmful attachments;
 - d) Your Login will not be used for the benefit of any company other than the one you represent in this agreement, or for personal use; and
 - e) The announcements or other attachments distributed through the Website will not breach the intellectual property rights of any third party.

Fortbridge reserves the right to, in its sole discretion and without warning, terminate or deny access to the Website to any individual or entity that, in Fortbridge's reasonable opinion, violates any of the clauses stipulated here and in the full Terms of Service (available on http://www.fortbridge.net/page/terms_of_service.html). In such scenario, Fortbridge will have no obligation to provide any compensation.

No amendment to this Agreement will be binding upon Fortbridge unless accepted in writing by an authorised signatory of Fortbridge Consulting Pty Ltd.

The terms and conditions of this Agreement are valid until 31 December 2009.
